

RACHEL RACHEL ROY *A&A Optical*

A&A Optical launches the RACHEL Rachel Roy eyewear collection. The collection features 16 ophthalmic styles that are named with inspirational words of empowerment and positive affirmations including Devoted, Dream, Playful, Wisdom, Confident and Grateful. Similar to the fashion brand, the eyewear is designed for women to wear in every moment of their lives. Frames are offered in wearable shapes, bold color palettes and unique prints as well as quality materials such as handmade acetate and stainless steel. —Victoria Garcia
